Re: 24K Mobile

Dear Mr. Langer,

The Grey Cup Parade was a wonderful opportunity to highlight the work of Edmonton's Food Bank and what we do for the community. When we needed a float, 24K Mobile stepped up to the plate to offer your mobile ad truck and your employees' time to make this possible. We appreciate your contribution to this event.

Our mission is to be stewards in the collection of surplus and donated food for the effective distribution, free of charge, to people in need in our community while seeking solutions to the causes of hunger. Unfortunately, the services of the Food Bank are not only needed during the festive season, but throughout the year.

Your support is truly appreciated. Please pass on our appreciation to everyone who made this possible. The Board, staff, and volunteers at Edmonton's Food Bank wish you the best throughout the festive season and into 2011.

In friendship,

Marjorie Bencz, *CM*  
Executive Director
